

YOUR PASSPORT TO A CAREER IN TRAVEL...

Have you considered a career in the fun, fast moving world of travel? We are looking for the best people, people like you who will enjoy the professionalism of working with our world class corporate clients. We are one of the fastest growing companies in the UK, why not grow with us?

The Business Travel Development Programme

Business travel is not for the fainthearted, it's exciting and fast paced, dealing with professional clients who know what they want and when they want it! Business travel consultants deal with all elements of travel from private jets to local trains as well as all types of business traveller from the MD to the receptionist.

If you have just completed your A Levels or a college course and think you have what it takes to succeed in business travel, this programme might be for you.

ATP can offer

- A six week intensive training programme
- Direct entry into business travel
- A recognised travel industry qualification
- A career with one of the largest and fastest growing international Travel Management Companies in the UK

Interested? Email your CV and a covering letter to hr@atpi.com
